Accomplishment

A. Reading (20 pts)

Article 1

- a. What is the main point of the author? Answer in at least 2 sentences.
The effects of our dependence on technology from a personal level to societal level.
- b. Do you agree with the author? Why? Why not? Explain.
The article showed examples of the effects of technology with evidences and science articles. Yes the examples are reliable and are provided by evidences backed by research and other scientific studies.

Article 2

- a. Pick one point from this article and briefly explain by citing personal experiences.
Blowing video games for things that happened within it for real-life causes. Games can get heated and I'm not immune to such conflicts, but my temper and attitude when playing is not my "true self" or the face I show to others.
- b. Is there any bias idea in the article? Explain why it is biased. Or elaborate why the author is fair.
The article has no bias as it looks at the topic from both perspectives, and at all sides.

B. Listening (10 pts)

Questions:

Documentary 1

1. What is the main idea of the documentary?
How to speak effectively so that people will listen. What not to do and what to keep in mind.

Documentary 2

2. What is an important issue tackled in this episode? Indicate the episode in your answer.
How art can transcend the spoken medium of expression. How it can communicate a feeling towards a certain topic and how it can provide comfort.

C. Film Viewing (5 pts)

Short Review: An enjoyable film about love and how it can manifest and develop not just within two people but because of those around them.

D. Speaking- Topic Discussed: (5 pts) C++ Programming

Reaction: We talked about C++ programming for our CompProg Midterms. I taught my peers what I know the best I could.
